Transplant  
Buddies

## Join the TransplantBuddies.com family

The free online network for pre and post transplant recipients and their families.

Since 1999, TransplantBuddies.com has promoted the sharing of knowledge and experiences with like-minded people worldwide, in a friendly and caring online community.

TransplantBuddies.com and TransplantFriends.com provide daily communication, support and social networking through our forums, blogs, chats, stories and other resources.

# BELONG INSPIRE OTHERS

We extend a special thank you to our sponsor, AlloMap. AlloMap is the only non-invasive test clinically proven to help doctors determine whether heart transplant patients are at low probability of moderate/severe acute cellular rejection at the time of testing.\*

AlloMap®

\*AlloMap test results are only to be used in conjunction with standard clinical assessment. For the AlloMap Intended Use Statement, please refer to [allomap.com](http://allomap.com).
